

ETHAN REEDS

722 Ganderhook Rd, Lucasville OH · (512) 638-7902

ethancreeds@gmail.com

I am seeking an internship opportunity with your company that will allow me to use the programming skills I continue to obtain in college as well as the work ethic I have built by being a part of the working class. I value learning, hard work, relationships and people. I enjoy problem solving and collaborating as a team.

WORK EXPERIENCE

9/15/2019 – Present

RESEARCH, SHAWNEE STATE UNIVERSITY

- Fourth Place - 2017 SkillsUSA Ohio State Welding Fabrication Competition
- Certificate of Special Recognition - 2017 National Technical Honor Society at Pike CTC

ACTIVITIES

I grew up being on the water constantly, so naturally the things that I enjoy include water sports, fishing, and just boating in general. As a college student, I find that taking part as a team in Game Jams is a great way to spend the weekend. It allows me to flex my creative mind muscles to learn new programs/engines, implement new things that have been covered in class as well as have fun.
